Team Release: Team Suzuki's Shannonville Qualifying Report

September 6, 2009

Team Suzuki Blackfoot Picotte Racing couldn't have asked for better intro to roll out the last round of the Parts Canada Superbike Championship and Yoshimura Pro Sport Bike Championship this weekend at Shannonville Motorsports Park in Ontario, Canada. During Friday's practice, they were the fastest team on the track and on Saturday, the team not only captured pole position, 18-year-old Brett McCormick once again set new record lap times in both classes.

When asked what will be his biggest challenge this weekend, McCormick simply replied, "I'm going to do my best to get up front and get in some good laps. If it turns into a battle I will have to step it up and race those guys. I'm not going out there to play any games or implement any strategy - I just want to race a fair race and give it my best."
